Come From Away

38 planes. 7,000 passengers. One small town. *Come From Away* is based on the remarkable real-life events following 9/11, when thousands of travellers were diverted to Gander, Newfoundland. As fear gripped the world, the people of Gander opened their arms. Cultures clashed and nerves ran high, but uneasiness became trust, music soared into the night, and gratitude grew into lasting friendships. This Tony Award-winning musical is a celebration of small-town kindness and the power of everyday people.
